

Set up prepaid live TV on an Android smartphone or tablet

Install the app

Go to the following link on your Mobile via the internet browser:

<https://play.google.com/store/apps/details?id=ru.iptvremote.android.iptv>

Or install the "IPTV" app via the Google Play Store

Open the app

Press the "plus" in the top right corner and enter the code that you received from us.

You can also easily browse through the channels here, sorted by country.

Enjoy watching!

Chromecast

Do you also want to be able to cast to a Chromecast? Then use this app:

<https://play.google.com/store/apps/details?id=com.gfuentesdev.myiptvcast>

Or install the "TVCast" app via the Google Play Store

Is this not working? Check the settings of your Chromecast or contact the support team of the app via guillermo.fuentes.dev@gmail.com
