

Set up Live TV on a Windows computer

1. Download this app: <https://www.microsoft.com/en-us/store/p/iptv/9nblggh08dwp#>
(Click on the link) (Or search for IPTV in the app store on your PC.)

2. Enter the complete <http://watchiptv.eu> code you received from us at URL (pay attention to upper and lower case letters)

Enjoy watching!

Note that if you do not want advertising in the app and want to fully enjoy the app, download this app for a moderate € 4.99: <https://www.microsoft.com/store/apps/9ppdztg67ml27> (Click on the link)

If this app does not work on your computer, try the "ProgDVB app" at:
<http://files.progdvb.com/progdvb/ProgDVB7.21.6Std.exe>
