

MAG manual

If you follow the steps below on your MAG, it will be activated;

1. Press Settings
2. Press server setting
3. Press server 1
4. Change "Portal URL" to <http://watchtiptv.eu.streamtv.to:8080/c/>
5. Press OK
6. Go back to the main menu

Restart the MAG.

Ps. before you perform the above steps, you must first provide the MAC address of your box (this is at the bottom of the box)
